

BUCKING CHUTE

90

# FULL-SIZED ADS. FULL-SIZED SAFETY.

## MAXIMUM ADVERTISING SPACE

The oversized face offers unmatched advertising space, giving you prime real estate to showcase your sponsorships and ads. In a world where every inch of space counts, this massive area allows you to capitalize on high-paying sponsorship deals and generate maximum visibility for your brand.

## SUPERIOR ANIMAL SAFETY

Our 7-foot high, bucking chute 90 is designed to keep even the most determined animals safely contained, preventing any escape attempts and giving you full control. The double-sided sheeting adds an extra layer of protection, stopping animals from getting their feet hung up and reducing the risk of injury. Built tough for maximum safety and efficiency, ensuring that you get the job done right—no matter how rough it gets.
